

Important Notice Regarding Coronavirus

Dear Staying Guests,

In anticipation of the spread of infection from Coronavirus (COVID-19), we are reinforcing the following measures on appropriate hygiene standards for ensuring the health and safety of our guests and the entire staff.

Installation of antiseptic solutions in various locations of the hotel

- Air purifier (space sterilizer) and MaxCleanPro gels are installed in front of each floor on elevator section.
- Room, toilets, and facilities are cleaned and sanitized by disinfectant recommended by the Ministry of Health, Labor and Welfare.

Promoting hand washing

- Hand sanitizers are installed at the reception.

Thorough physical condition management of all employees

- Our staff check body temperature and manage physical condition.
- Staff may be wearing masks while on duty.

Thank you for your kind understanding and cooperation.

Hotel Accela Manager
